THE MINT.

By the report of Mr. James Pollock, the Director By the report of Mr. James , the Treasury, we of the Mint, to the Secretary of the Treasury, we learn that the amount of bullion received and coin the Mint and its branches, for the fiscal year ending the 30th of June last, has largely exceeded hat of any former year. The amount of foreign coin and sullion, in addition to that received from native mines, is also larger than ever before. The gold received is \$116,970,002 66; the silver, \$4,624,961 57; but deducting from this the redeposits of bullion or inage, and the aggregate amount received is Gallage, and the aggregate annual received a \$72,146,571 01. The coinage for the year was: Gold coins, \$60,693,237; fine gold bars, \$20,015,163 64; silver coins, \$2,605,700; silver bars, \$285,106 94; cent coins, \$101,600; total coinage, \$83,605,767 58; number of pieces of all denominations of coin, 23,721,913.

of coin, 23,721,913.

The distribution of the bullion received and coined at the Mint and branches was as follows: At Philadelphia, gold deposits \$51,890,763 56; gold coined, \$47,896,711; fine gold bars, \$64,33476; silver deposits and purchases, \$1,726,309 97; silver coined, \$1,598,700; silver bars, \$2,624 37; cents coined, \$101,669; total deposits of gold and silver, \$33,617, o72 63; total coinage, \$49,666,130 13; number of pieces, 21,315,255.

working. The silver mines of Arizona tid fair to rival those of Mexico, though yet but little is known of them, nor can they be fully developed till the set-tler receives sufficient protection from Indians and
